ISO 9001:2015 QUALITY MANAGEMENT SYSTEM CERTIFICATION

Dear Valued Customer,

We are pleased to inform you that METALTECH PRECISION ENGINEERING (Pty) Ltd has successfully achieved ISO 9001:2015 Quality Management System certification.

This certification confirms that our quality management system has been independently assessed and complies with internationally recognized standards. It reflects our ongoing commitment to consistent quality, continuous improvement and meeting customer and regulatory requirements.

The scope of our ISO 9001:2015 certification covers the manufacturing of precision CNC components, pipe bending and metal pressings for the manufacturing industry according to customer requirements.
We believe this achievement further strengthens our ability to provide reliable products and services while maintaining high levels of customer satisfaction. We would like to thank you for your continued trust and support.

Should you require a copy of our ISO 9001:2015 certificate or have any questions, please do not hesitate to contact us.

Kind regards,

JANNIE GOOSEN
Director: METAL TECH PRECISION ENGINEERING
